Idaho Youth Ranch Thrift Stores

So much more than a thrift store

A second chance for hope

Idaho Youth Ranch offers a lifeline to those struggling with homelessness, loss, trauma, and adversity. Our network of programs, services, and thrift stores provides a path to resilience and hope for kids and families from all income levels. Our thrift stores contribute a significant portion of the funds needed to support our trauma-focused outpatient therapies, including youth and family therapy, adoption services, Equine Therapy, career readiness, and residential care.

Empowering the next generation

Our thrift stores also provide the backdrop for our Youthworks program, which gives young people the opportunity to gain job skills and experience through an 8-week paid internship. Youth learn how to apply for a job, build a resume, excel in an interview, and keep a job, all while being supported by our team.
