A first step into your future

A first job is an important milestone in everyone's life. Managing time, money, and responsibility are important skills to help young people transition from being kids to being adults. The process of finding a job, getting a job, and keeping a job requires skills that many young people struggle with. YouthWorks proven curriculum helps teens and young adults develop skills necessary to enter the workforce successfully.

Participants will learn how to:

- Apply for a job
- Succeed in a job interview
- Thrive in the workplace

Over the course of the 8-week program participants reported improved social skills, confidence, and workplace relationships.
